### **SCOPE OF WORK**

Note : provide LABOR only

DUAL Cat 6 data outlets - 110  
Audio Visual Outlets ( Including 1 Cat6, 1 Coax, 2 HDMI) -7  
Single Cat6 outlets -3  
Cat 6 QUAD data outlets -4  
TV Mounting/Installation -5  
Wireless Access Points installation - 5

Install 48 port patch panel, install cat 6 data jacks and faceplates, install horizontal wire managers, install new J-Hook path where required for proper support of all new cabling per BICSI standards, install above ceiling penetrations required for proper installation. Provide PDF test reports for all Cat6 cables installed with detailed As-Built drawing for owner record.

Install one APC cabinet to support new infrastructure and owner equipment; Install TWO 7ft vertical wire management for properly cable routing; Install new 12 inch ladder rack for proper routing of cabling from above ceiling; install all bonding required for ladder rack and cabinet installation.

Need to take out 2 two post racks. Move the service providers fiber from the old rack to the back firewall and switch it to a WIC (Belden) Then run a 10 Meter Single mode Fiber jumper to the new equipment. Move the 25 pair that is punched down in the old 2 post to the back fire wall as well and punch it down on a new 66 block with this we need to extend the alarm systems cable tht is currently plugged into on of the pairs now.

**Terms and Conditions** - Cabling-Hub will not be responsible for any unexpected error or system crash or delays that may occur during troubleshooting or installations. In no event will Cabling-Hub be liable for any damages or loss of profits resulting from such errors and/or delays. The Company's quotation includes only such goods, accessories and work as are specified therein. The goods and services shall conform to any specification detailed in the quotation . If the company incurs additional expense arising from any further instruction, or lack of instruction from the customer or due to any interruption or delay outside the control of the Company, the Contract Price shall be adjusted accordingly. For more information and complete terms and conditions, please visit our website at [www.cablinghub.com](http://www.cablinghub.com)
