Kindly create a button as shows in Picture – 1 above the CRM menu bar. <u>Alignment should be 'center'.</u>

<center>PICTURE - 1</center>

When click on button (Picture 1), will be able to go to page that has another 9 buttons mention in this format. Ref: Picture - 2: Again, alignment should be 'center'.

<center>PICTURE - 2</center>

Based on the call, a specific button will be clicked and that would open a **'CALL DETAILS FORM' as mentioned in** **FORM – 1.**

Call Details Form
